1.1 About this site. Playyyy is a free website that lets you find and play browser games. It is an independent project. It is not affiliated with, endorsed by, or sponsored by any game publisher, developer, or platform.

1.2 Third-party games. Games on Playyyy are created and owned by third parties. Playyyy does not claim ownership of them. All names, trademarks, characters, logos, and artwork belong to their respective owners. Playyyy does not grant you any rights to those materials beyond what the owner has allowed.

1.3 Personal use. You may use Playyyy for personal, non-commercial entertainment. You may not: - copy, redistribute, or sell games or site content; - use the site to attack, overload, or disrupt it or any game; - attempt to access areas of the site you are not authorized to access; - use the site for any unlawful purpose.

1.4 Availability. The site and games are provided “as is” and “as available.” Games may be changed, removed, or stop working at any time, and the site may be interrupted. We do not guarantee that any game will be available.

1.5 Limitation of liability. To the fullest extent allowed by law, Playyyy and its author are not liable for any indirect, incidental, or consequential damages arising from your use of the site or games. Your use is at your own risk.

1.6 Your responsibilities. You are responsible for following the rules of your school, workplace, network, or device, and for any consequences of using this site in those settings.

2. Code License

The source code of this project (HTML, CSS, JavaScript, and documentation written by the project author) is licensed under the MIT License. This license does **not** cover third-party games, names, logos, or artwork.

3. Privacy Notice

3.1 What we store on your device. Playyyy uses your browser’s local storage to save: - your theme preference (light or dark); - your favorite games; - your place in the game list (search, category, sort, and scroll position).

This information stays on your device. It is not sent to our servers, and you can clear it at any time through your browser settings.

3.2 Analytics. Game-page visits may be measured with StatCounter, a third-party analytics service. StatCounter may collect technical information such as your IP address, browser type, device, and pages visited, subject to its own privacy policy. You can limit tracking through your browser settings or by using a content blocker.

3.3 Third-party games. Games may be provided by third parties and may collect information according to their own policies. Playyyy does not control those policies. Please review them before providing any personal information inside a game.

3.4 Children. Playyyy is intended for general audiences. We do not knowingly collect personal information from children under 13. If you believe a child has provided personal information through this site, contact us so we can address it.

3.5 Your choices. You can clear browser local storage, block cookies or tracking, or stop using the site at any time.

3.6 Contact. Privacy questions can be sent to the contact address listed on the project's GitHub page.

4. Takedown and Copyright Policy

4.1 Respect for rights. Playyyy respects the intellectual property rights of others. If you believe a game, image, name, or other material on this site infringes your rights, you can submit a takedown request.

4.2 How to submit a request. Send an email to the contact address on the project's GitHub page with: 1. Your name and contact information; 2. Identification of the material and its location on the site (game title and URL); 3. A description of the work you claim to own and why you believe it is infringed; 4. A statement that you believe in good faith that the use is not authorized; 5. A statement that the information is accurate and that you are the owner or authorized to act for the owner; 6. Your physical or electronic signature.

4.3 What we do. We review requests and, where appropriate, remove or disable access to the material promptly, usually within 7 days of receiving a complete request. We may notify the person who submitted the game, if applicable.

4.4 Counter-notice. If we remove material and you believe it was removed in error, you may send a counter-notice with your contact information, a statement under penalty of perjury that you have a good-faith belief the material was removed by mistake, and a statement consenting to jurisdiction where you live. We may restore the material unless the complainant files legal action.

4.5 Repeat infringers. We may remove games and restrict access for repeat violations.

4.6 Game submissions. Anyone submitting a game must confirm that they own the rights to it or have written permission from the rights holder to host or link it. Submissions without such confirmation will not be published.
